

## Cabernet Franc Doc Venezia

### ORGANOLEPTIC CHARACTERISTIC

It strikes the eye for its intense ruby red color with a tint of purple; its bouquet has a distinct characteristic and persistent herbaceous note. A full-bodied, generous, well structured, nearly “aristocratic” wine. As it ages the herbaceous note attenuates and its taste becomes elegant, harmonious.

### SERVING SUGGESTION

Cabernet Franc is the best choice with grill, red meat, game.

### DID YOU KNOW?

All our glass bottles have Family emblem printed. On the label, three gold lines symbolize the third generation that is carrying the management on a “zebra” background that resemble the map of the cellar, completely renovated in 2014.
