

Merlot Doc Venezia

IN VINEYARDS

The vines are about sixty years old from which we produce this wine and combined with the new clones, they exalt the colors of the product, which goes from intense ruby red to violet reflections.

ORGANOLEPTIC CHARACTERISTICS

Intense ruby color. Pleasant balsamic tones, aromas of chamomile, blackcurrant, blueberry jam, cedar, black pepper, and an imperceptible wood mark.

On the palate is well balanced and pleasant for the development of soft notes, intertwined with freshness and flavor. Fruity and mentholated finish. A wine with great personality that in the mouth is extremely balanced, full, decisive, with a particular body.

SERVING SUGGESTIONS

Ideal with white meats like stewed rabbit with aromatic herbs.
