Linea Triangolo

Pinot Grigio Doc Venezia

It is certainly one of the most important wine of our coltivation. Low sulphite according to our philosophy, Pinot Grigio is produced from our vineyards after a meticulous selection.

ORGANOLEPTIC CHARATERISTICS
This wine is a delight to the eye with its many hues changing from pale yellow to its characteristic sand colour, as well as to the nose and palate with its slightly fruity bouquet, accompanied by a light note of almonds. Soft and harmonious, slightly bitter, we could define its taste as resolutely pure and sincere, particularly drinkable and pleasant.

SERVING SUGGESTIONS
Excellent as aperitive, perfect with fine herbs. Great also with vegetable starters and with fish risotto.
